

MILLIONS IN RECORD LONDON REALTY DEAL

Sale of Nineteen Acres in Centre of City Believed Biggest Private Transaction Known.

LONDON, Dec. 16.—What is believed to be the biggest private real estate deal on record was completed to-day by the purchase of the Duke of Bedford's block of freehold property covering about nineteen acres in the vicinity of Covent Garden, in the center of London by Harry Mandley-Peddy, a Unions member of the House of Commons. Many millions of pounds sterling changed hands over the transaction but the figures were withheld, the agents vouching only that the information that the price exceeds by several million pounds the sum paid for any other single property.

Roughly speaking, the estate stretches east and west from Kingsway to St. Martin's Lane, near Trafalgar Square and north and south from Long Acre to the Strand. It includes the Royal Opera, the Drury Lane, the Aldwych, the Strand and the Lyceum Theatres, several hotels, Covent Garden Market,

Bow Street Police Court, the National Sporting Club and a number of great printing establishments.

DECLARER MALE NURSE SET FIRE TO BED

Widow Makes Unusual Charges in Answer to Suit for His Services.

Mrs. Ellen Simonds, who is being sued in the Supreme Court for damages by Oscar Otto Schellberg, a nurse, who attacked her husband in his dying days, complained of no answer filed in the County Clerk's office today that Schellberg did the following things while nursing the late Mr. Simonds:

Smoked in bed and set fire to the blankets.

Refused to brush her husband's teeth more than once every three weeks.

Hit him in the face.

Left him in a manner which seemed cruel.

Forced him to open his mouth.

Quarreled with her in the sickroom,

following which her husband lived only half of a day.

Schellberg denies the charges. Mrs. Simonds asks that Schellberg's suit be dismissed.

DR. GREEN OF PATERSON HELD ON ARSON CHARGE

Accused of Burning His Father's House of Which He Disputed Ownership.

(Special to The Evening World.)

PATERSON, N. J., Dec. 16.—Dr. William S. Green, for more than fifteen years inspector of foods, drugs and cattle for Paterson, was committed to the County Jail at noon to-day on charges of arson preferred by Chief Thomas Doyle of the Paterson Fire Department.

Dr. Green is accused of setting fire to his new residence worth \$8,600 of his father, John V. D. Green, of No. 770 Twenty-ninth street, last Thursday night.

When the firemen and police arrived

they found six different parts of the building soaked with oil and oily excretions strewn all over the place.

Captain Doyle, Detective Sergeants Matthew D. Campbell and William Kinney gathered the evidence on which the charges are based.

Dr. Green is married and has a family living at No. 72 Paterson street.

He is a well built imposing looking man of fifty-three years. He and his father had quarreled about the ownership of the house.

"DOGS OF WAR" BARK UP WRONG TREE

Masters, Would-Be "Mexican Soldiers," Are Also Doing Some Real Barking.

CHICAGO, Dec. 16.—Dogs! White ones, black ones, fuzzy ones, smooth ones, fat ones, dachshunds, fox terriers, and just dogs—incidentally about 800 of them masters—nestled round 36, No. 725 West Madison street, all yesterday in

the battle of Tampico look like a peace convention in comparison.

"Gen. William Dunn," as the ad. read,

was the one who wanted the "soldiers,"

and no one was more surprised than

Dunn when the army appeared. He is hunting the joker with a club.
